## **Abhay Firodia Group Company expands its partnership with German Auto Co**

By [motorworld](#)

Mumbai, April 20 (PTI) Abhay Firodia Group's Jaya Hind Industries, based in Pune, announced Tuesday that it had extended its partnership with German automotive company KS Huayu Alutech to manufacture cylinder blocks and chambers until 2027 with an expanded range.

One of the country's leading brands of aluminum molded parts, Jaya Hind is a fully vertically incorporated company with world-class tool production features and subsequent machining services that provide end-to-end responses to domestic and international customers. It has 4 production sites, two near Pune and one in Chennai and near Indore.

It is aimed at some of the world's and national OEMs such as Volkswagen, Cummins, Ford, PSA, Daimler, Volvo, Renault Nissan, Maruti Suzuki, ISUZU, Mahindra, Tata Motors, FIAT India and a multitude of world-class companies.

Jaya Hind Industries and KS Huayu Alutech GmbH (KSATAG) have been operating in combination for 12 years.

The agreement to manufacture car cylinder and chamber blocks with KS Huayu Alutech lasted until 2027 and the scope of the agreement was also expanded to cover new portions of the dawn industries such as electric cars and chassis structural parts, among others. The corporation said in a statement.

The purpose of expanding and expanding cooperation with KS Huayu Alutech is to offer its consumers the combined strength of partners that now have a global footprint and have synergized to deliver critical products made through standardized global processes that standardized global quality, Jaya said. posterior.

As a component of automotive appliance manufacturer KSPG, KS HUAYU AluTech has a presence in Germany and China. Since 2007, KSPG has owned a subsidiary of Pierburg India Private Limited in Takwe, near Pune, which produces bearings, pumps and emission factors for the domestic automotive industry. In addition, it has a bearing production unit in Supa, Ahmednagar (Maharashtra).

The organization has a 20-cent stake in Indian piston manufacturer Shriram Pistons and Rings Ltd. , New Delhi. PTI IAS MR
